The Kickapoo kind. Because the animals were so perfect and the scenery so beautiful, this picture of Stanley G. Harris Shorthorns was selected as the front cover for the 1952 special issue of The Shorthorn World.

Welcome to Millgate Farms . . .

I am very proud to be associated with four fine neighbors in making this auction sale of Scotch Shorthorn cattle. Although we all maintain herds of liberal size, no member of this group can hold an individual annual sale with ease, therefore a joint event containing productions from each herd has proved an ideal plan. Most certainly the arrangement presents distinct advantages to buyers because all members of this group have agreed willingly to hold their top productions for this sale which is held annually.

Our first Millgate Invitational Sale was held last year. To our great satisfaction the cattle were purchased by breeders from a wide area who know and appreciate good breeding and good individuality.

We have selected the date of Monday, October 6th, for the second Millgate Invitational Sale. The forty animals that are to be sold have been selected with utmost care. All are superior individuals, all are backed by exceptional bloodlines and we will again follow the policy of selling them with complete breeding guarantees regardless of the age at the time of sale.

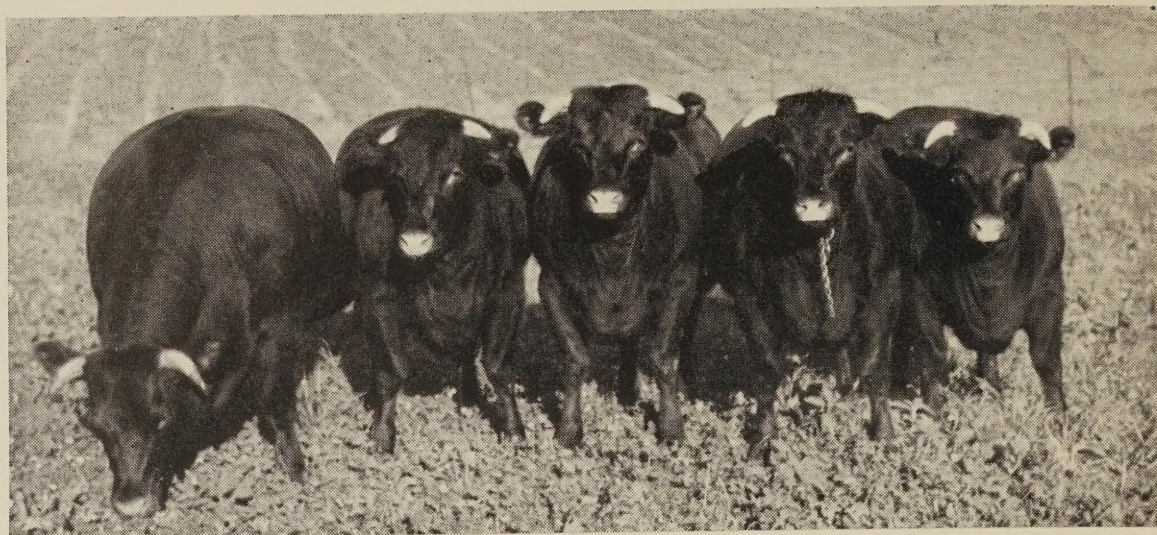

Since our five farms can all be visited comfortably in one day, it is our hope that visitors will arrive on Sunday for a tour of the herds and an inspection of the sires and dams of the animals selling.

We are very proud of the cattle in this sale and we are certain they will be improvers wherever they go. Whether you come as a buyer or as an interested spectator, you will be very welcome at Millgate Farms on October 6th.

Sincerely yours,

GEORGE W. ROSSETTER.

Millgate Farms.

These five beautiful heifers are all members of the Millgate consignment to this sale. Included in the group are Millgate Golden Chain 7th (Lot 8), Millgate Augusta Lustre 2d (Lot 10), Millgate Carnation 3d (Lot 7), Millgate Secret 4th (Lot 5) and Millgate Broadhooks 17th (Lot 9).

General Information

A liberal number of the younger heifers in this sale are open. Dates for those bred will be announced on sale day.

How to Get to Millgate Farms

Above is shown the head of Duncrahill Recommendation, the great new imported herd bull in service at Millgate Farms. He is a son of Cruggleton Bentham.

A Perfect Week End!

The five herds participating in the "Millgate Invitational Sale" are among the best in the land. Why not visit all of them on Sunday, October 5th, the day prior to the sale? If you are traveling by train or plane, try to arrive in Waukegan on Saturday night or Sunday morning. If you send advance notice to Sale Manager Hal Longley, auto transportation will be provided for a tour of the herds on Sunday. If you are driving your own car, the following road directions will make it easy for you to find these five farms:

Millgate Farms

Wadsworth is on Route 41 (Skokie Highway). Millgate Farms is 2 miles west on Wadsworth Road. Those coming from the west or south may come to Milburn on Route 45, then east one mile to first gravel road, then north one mile to the farm.

Spring Willows Farm

On Route 45, four miles north of junctions of Routes 45 and 50.

Kickapoo Farms

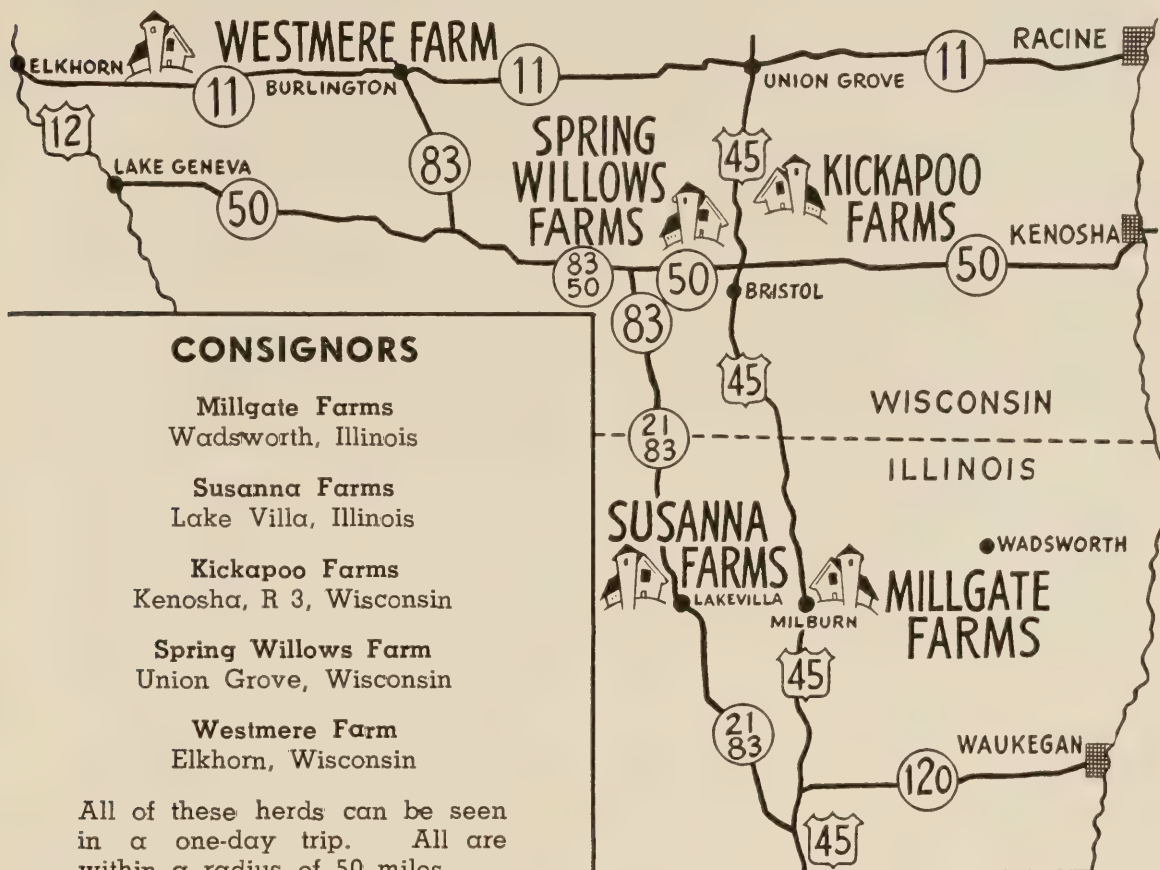

Go one mile north of junction of U. S. 50 and 41 to County K, west two miles to MB, then 1 mile north to farm.

Westmere Farm

Sale Headquarters

Hotel Waukegan or Hotel Karcher in Waukegan.

This map will guide you to the herds owned by breeders who will consign good Shorthorns to the **1952 Millgate Invitational Sale**. Having made the tour myself recently, I strongly urge those who plan to buy this Fall to visit these herds. Each breeder will show the sale cattle as well as their sires and dams . . . and, after you have concluded the trip, you will agree with me that 40 head of beautiful individuals are to be sold in the auction at **Millgate Farm, Wadsworth, Illinois on Monday, October 6th.**

Ask any of those who have bought cattle in the previous sales at Millgate Farms and they will tell you that they got a lot for their money. I am of the opinion that this is one of the best sales of each year for those who seek Shorthorns of the right type, quality and ancestry. Hope you will be with us on October 6th.

PLEASE NOTE—Route 41, the Skokie Highway, running from Chicago to Milwaukee, is not shown on this map. It is the convenient route to take from Chicago to Waukegan and on through Wadsworth to Millgate Farms. See road directions on opposite page.

HAL LONGLEY, Sale Manager

16 So. Locust St., Aurora, Illinois

These three outstanding daughters of Edellyn Royal Leader 43d were all sold in the 1950 Millgate sale. From left to right they are: Millgate Augusta 8th purchased by F A Ranch, Livingston, Montana, at \$800; Millgate Carnation 2d purchased by Sutherland Farm, Prospect, Kentucky, at \$850; and Millgate Rosewood 6th, purchased by S. J. O'Bryan, Lake Villa, Illinois, at \$850.

A word from the Sale Manager

This is the announcement of the Second Annual Millgate Invitational Sale. Started a year ago as a means of bringing together in one auction choice productions from the noted herds located in the Chicago area, it is now a full fledged annual event.

Preparing a statement for this catalog is difficult because of the restrictions laid down by the five men who own the cattle. Were it not for these restrictions, this catalog would be filled with glowing descriptions because the individuals are the kind that bring out the enthusiasm in a sale manager. However, since it is the wish of the owners that these cattle speak for themselves on sale day, the footnotes in this catalog make no reference to the quality of the individuals. Those who study the various pictures cannot fail to be impressed and the students of pedigrees will immediately recognize the bloodlines that have worked greatest improvement in the past decade. All but three of the cattle listed were bred by the consignors.

Because of the great sires in service, the grand cow herds and the annual production of breed improving calves, the area served by the Millgate Invitational Sale is frequently referred to as the "Aberdeenshire of America." To visit these herds is a treat every good breeder owes to himself. Since this sale is to be held on a Monday, I urge all visitors to come early for a week end tour of the herds. Such an inspection cannot fail to impress you with the improving value of the forty animals in this sale.

I am proud to be charged with the management of this important sale because I recognize in the five owners a group of men who are imbued with the single purpose of building a greater breed. Most certainly a study of the cattle to be offered will provide proof that they will accomplish this purpose.

HAL LONGLEY

of The Shorthorn World.

Terms and Conditions

In the case of heifers under 14 months old, notice of failure to breed must be given within nine months of the date of the auction. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Calfhood vaccination for Bang's is practiced in all five herds and all of the females in this sale were calfhood vaccinated.

Health certificates will be furnished with each lot sold.

LIABILITY—The above guarantee and terms shall constitute a contract between the seller and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owner. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

Millgate Countess Selma 4th—A lot of good breeding behind this good heifer. Her full sister sold in our last sale to Cecil Steinmetz of Indiana. She was bred March 19th and will calve in January to the service of Duncrahill Recommendation, our new imported bull, by Cruggleton Bentham.

These daughters of Edellyn Royal Leader 8th and Edellyn Royal Leader 43d were sold in former Millgate sales and are now valuable brood cows in the herds of their owners.

There are 40 animals in this sale, all young and all beautiful individuals. With the exception of three animals, all others were produced on the farms of the breeders selling them. All are by famous sires, all are out of excellent cows. This is a sale for those who know and appreciate good pedigrees and correct beef cattle form.
